The Civil Air Patrol continued to assist in the search for Tara today.

Command One has projected that it will take an additional 7 to 10 days to complete an absolute search of Irwin County.

There were 60 people in attendance for today's search. We were pleased to accept help from both local volunteers and staff and those from surrounding areas. We have a number of people who have come in from out of town to assist in the search. Efforts are being made to provide acceptable housing for volunteers who have been kind enough to donate their time for the quest to find Tara.

A number of businesses have been kind enough to assist us in feeding the search crews which at times are upwards of 200 individuals. We continue to seek support in providing food and drinks for search crews.

2 local teachers interviewed with MSNBC today for a feature on Tara.

An interview with FoxNet will be held tomorrow – 11/3.

Tara's sister, Anita will be interviewed tonight by Greta Von Susteren at 10:30pm.

Continuing coverage will be provided by the Today Show and WALB.

There will be a Prayer Walk held for Tara in Hawkinsville tomorrow evening (11/3). It will begin at 6pm and commence from Broad Street Church.

A Candlelight Vigil will be held in Ocilla at the Courthouse on Friday 11/4 beginning at 7pm. The vigil is hosted by current and former students of Miss Grinstead.
