

## Daily Update – 11/6/2005

1. Breakfast was provided by Mary Register and friends, lunch by Gary Veal, dinner by Satilla Church. This is a vital part of our operations and we sincerely appreciate those who have supplied the meals and those who have served and delivered to teams in the field. We couldn't do this without the tremendous team effort.
2. Law Enforcement update – There were 110 searchers and 16 teams out today. Searchers came from Laurens, Putnam, SC, Dog South K-9 Team, Centerville PD, SCDTF, Middle GA Mounted Search & Rescue, Mitchell EMA, Bleckley EMA, Hawkinsville, Colquitt EMS, Douglas, Sycamore, Climax, Moultrie, Tifton, Fitzgerald, Civil Air Patrol, Mounted Search and local volunteers. Please excuse if we missed you – the sheer number of people who have come out from all over to help has been a sobering reminder of just how much we really do care about the well being of each other! Thank you!
3. According to law enforcement, the county will be covered by Wednesday if we continue to maintain the present search team presence.
4. Brad Dennis and friends, with the Polly Klaas Foundation has been instrumental by providing needed support to our schools, searchers, volunteers and families. He and his organization are amazing and we thank you for taking your time to be here with us.
5. GEMA has also played a major role in the operation and our gratitude cannot be expressed adequately.
6. Jeff Davis County Rescue continues to plot Irwin County for the searchers. That behind the scenes work is critical.
7. America's Most Wanted – entire show will air November 12, 2005 at 9pm on Fox
8. Greta Van Susteren will be in Ocilla tonight and will air her show in front of Tara's home at 10pm.
9. Jenny Abercrombie and Missy Davis will appear on Fox Noon Day
10. Teachers for Tara will continue to operate the Command Post. Local volunteers will run the Senior Center building during the day for Command Post operations with teachers staffing the afternoons. Please keep Irwin County High School and the entire school system in your prayers.
11. It is the mission of the Command Post to continue to focus on finding Tara. As a community, our hearts are broken along with Billy and Connie Grinstead, Dr. and Anita Gattis, their son Gabe and Tara's mother Faye.

We will continue to search..... we want Tara to come home!
